

Kerstpuzzel 2023

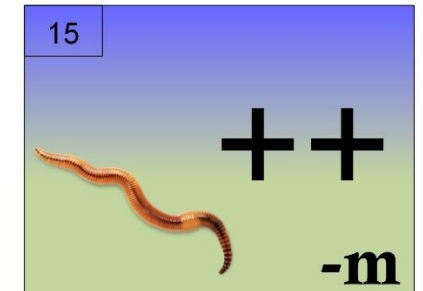

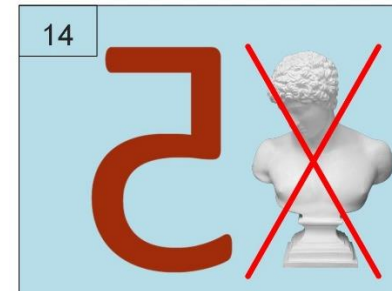

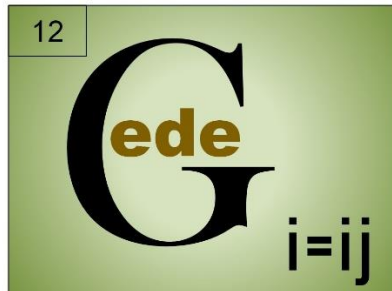

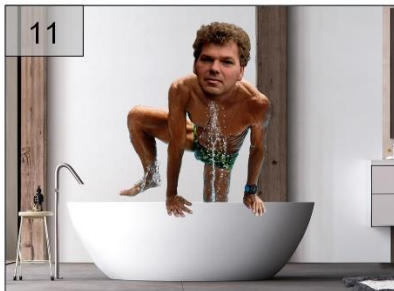

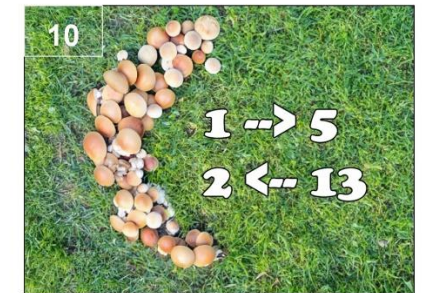

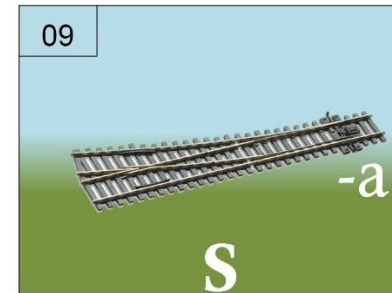

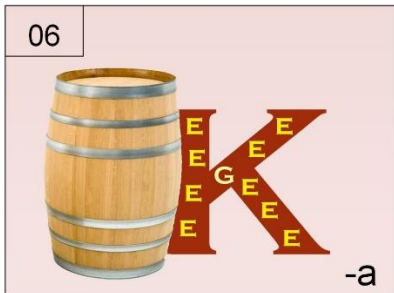

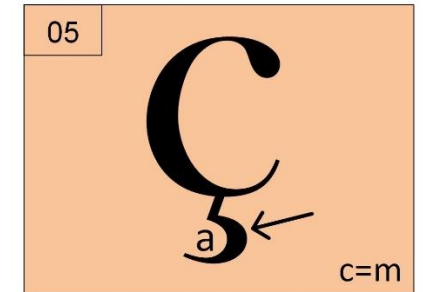

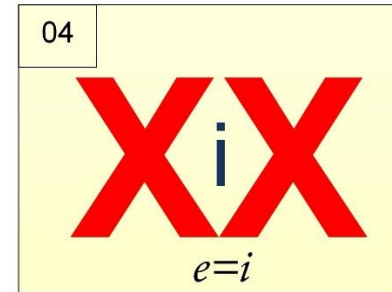

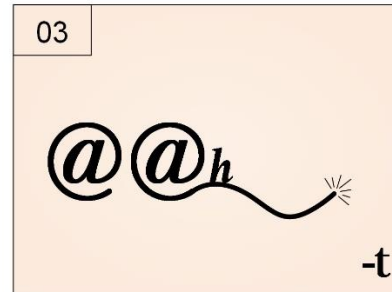

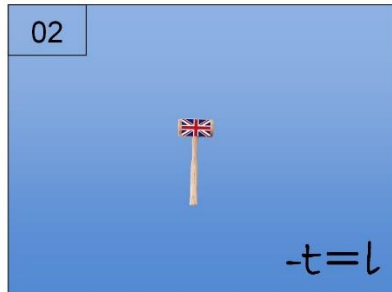

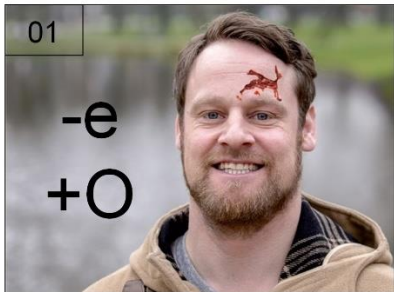

Winnaars zijn niet zij die nooit falen, maar zij die nooit opgeven

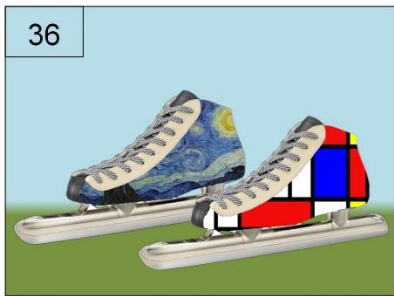

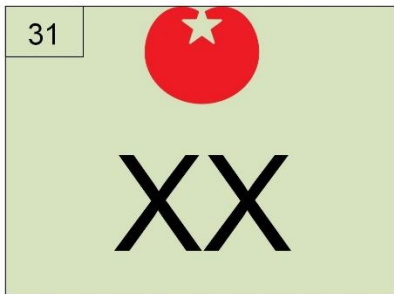

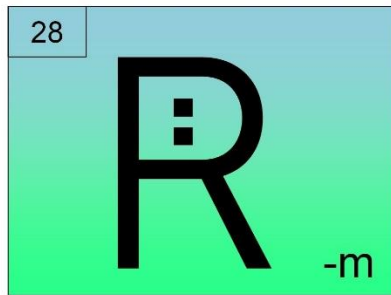

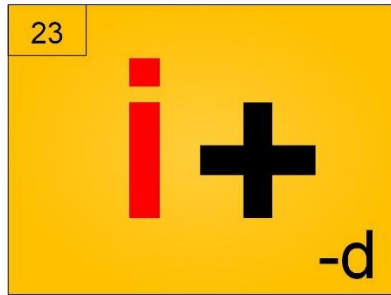

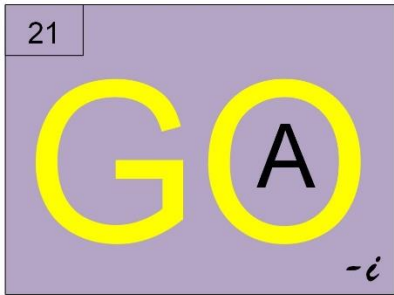

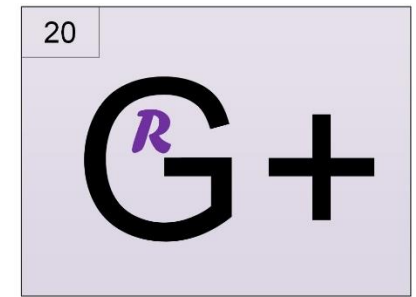

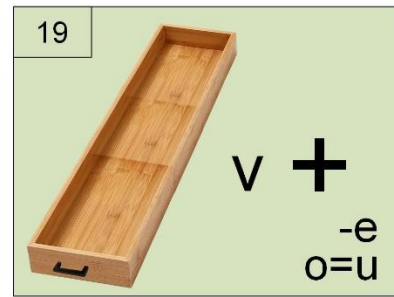

In deze puzzel word je uitgedaagd creatief te zijn met letters, woorden, hun vorm, plaats, kleur, etc.. Kijk nauwkeurig, ga associëren of zoek synoniemen. Elke puzzel levert een woord in het thema "Olympische spelen" in de breedste zin van het woord. Schrijf de oplossingen in het invuldiagram en in de grijze kolom vind je een mooie spreuk als oplossing. Spaties moet je weglaten, een ij schrijf je met 2 letters: i en j.

Oplossingen uiterlijk 5 januari 2024 inzenden via www.kerstpuzzel.com (heel graag!)
